Happy Holidays

Dear Friends,

With the festive season fast approaching, little acts of kindness become the norm as a part of our holiday spirit. We are hoping that you, as a part of our horse community, will help us ensure a happy and dignified retirement for the thoroughbreds who have served us so well.

These equine athletes are so intelligent and willing to please that they can excel in many disciplines after their days at the track are over. It is LongRun's mission to rehabilitate and retrain those horses physically able to go on to a loving home and new career and provide a safe haven for those horses who cannot. But we can only fulfill our mandate with your help.

We encourage all of you to treat your horses with care and respect, both on and off the track, and to generously help us support horses less fortunate than your own. You can help by making a donation as a gift for a friend or loved one or as a sponsorship towards a LongRun horse of your choice. In these trying economic times, any support you might offer LongRun and the forty-plus horses we currently care for will be most appreciated.

Please let all of us here at LongRun, both two-legged and four, wish you and your loved ones a most joyous holiday season and a healthy and prosperous New Year.

*Kindest regards,
LongRun Thoroughbred Retirement Society*

Vicki Pappas
